RE: 2025 Tenth District Progress Meeting

Dear _____,

For those that attended the 2024 Tenth District Progress Meeting, thank you and I hope you enjoyed the program and Hot Springs, Arkansas. Those of you who were not able to attend, I trust you will join us in 2025. My personal thanks go to the Arkansas State Electrical Workers for their hospitality and hard work that made the event successful. It was truly a great week for everyone and was much appreciated.

Now on to the 2025 Tenth District Progress Meeting scheduled for June 9-13 in Myrtle Beach, South Carolina. We will be at the Embassy Suites Oceanfront Resort, just down from the former site we have used in years past. The property renovation was completed last year, with a new pool area, water park, and brewery that were added to the site. We believe it has something for everyone to enjoy. Our last time in Myrtle Beach, we set a record attendance, well over 250 people and we ran out of rooms. Due to the high demand during the summer season, the hotel has informed us we will not be able to get extra rooms as time gets closer to June 2025. **I am asking each of you to book your room today**, to ensure everyone is accommodated. This link:

will take you to our private booking. We will add rooms to the block as needed and monitor it closely, but we need your help by not delaying. Thank you for your attention to this matter and please feel free to contact the District Office if you have any issues. You can email Lori at Lori_Johnson@ibew.org. We will respond as soon as possible.

We will be sending out the formal invitations and a full agenda in the coming months.

Fraternally,
